One Of The Most Amazing Wines...  
...You've Never Heard Of  
**COMING SOON**

“From Macedonia-two outstanding wines imported by Eric Solomon-both 2010s.....the Tikves Barovo made from Vranec and Kratuchia-seriously rich, complex and possibly age-worthy...and a wine I gave an amazing 94-the Tikves Belavoda-made from Plavec Malic and Vranec...tasted them with their consulting oenologist Philippe Cambie at his lab....truly worth tasting...”
