“From old-vine Grenache, the 2017 Granito del Cadalso comes from granite soils, and was brought up all in concrete tanks. This Pinot Noir-like beauty offers notes of wild strawberries, rose hips, violets, and crushed rocks. Medium-bodied, with remarkable purity and vibrancy, it still has ample power and richness. This is a fabulous expression of Grenache that’s almost too good to be true.” — *Jeb Dunnuck*
