

Casa Castillo 2017 VINO DE FINCA

93+
Wine Advocate

D.O. Jumilla

“This comes from four plots that were selected from what was previously used for the entry-level Monastrell; they aim was to find a wine with more finesse and elegance but with the inherent power of the zone. They are wines of sun and limestone. This is a good reflection of it with a perfumed and floral note on the finish (elegance!) that is quite remarkable.” — *Luis Gutiérrez*
